Your application for listing on the California Department of Justice (the Department) Centralized List of Firearms Dealers and Dealer Inspection Program has been accepted. Effective immediately, you are assigned California Firearms Dealer (CFD) number 23835 for the dealership identified below. If you have any co-licensees at this location, you will share this CFD number with them. If you are the sole licensee, this number is exclusively yours. Your CFD number serves as your state firearms identifier and will enable you to submit Dealer's Record of Sale (DROS) information to the Department.

Your licensure data and pertinent expiration dates are listed below. With the exception of your Certificate of Eligibility, it is your responsibility to submit evidence to the Department of each licensure element's renewal within thirty days of its expiration in order to maintain valid status in the Centralized List of Firearms Dealers throughout the year. Failure to maintain current license elements with the Department will result in removal from the Centralized List as a matter of law.

In addition to the renewal of required licenses, your CFD must be renewed annually. Please note, not receiving a renewal notice does not release a dealer from responsibility of timely payment. Enclosed please find important material for new firearms dealers.

If you have any questions, please contact the Bureau of Firearms at the number listed above.
